"Set your goals high and don't stop until you get there!"

Principal's Report

I'm pleased to announce that following a recent merit selection process Mr Chris Shipman has been offered and has accepted the position of classroom teacher at Boambee PS. Chris has been a temporary teacher at Boambee for many years and now joins the permanent ranks. Well done, Chris.

Congratulations to Cooper Moore and Jackson Joice who represented the North Coast at the NSW PSSA State Athletics Carnival last week. Both boys performed well and will be back next year! Well done also to Ella-Ruth Beynon-Whitelaw who travelled away to Orange with the Coffs Harbour indoor hockey team. They went through their division undefeated and were crowned State Champions! Great effort!

We have received our NAPLAN results for 2018 and what a remarkable effort by our students in Years 3 and 5. On average, students in Year 3 were above state average in reading, writing, numeracy, grammar and punctuation and on par with the state in spelling.

Our Year 5 students growth from Year 3 to Year 5 was simply outstanding. On average,

our students demonstrated above state average growth in all areas, with some elements nearly exceeding 40 points above state average! Our value add for students from Years 3 to 5 and Years 5 to 7 was classified as Excelling which was an outstanding result! Pleasingly, we have seen an upward trend over the past few years and it's fantastic to see our school community working together to ensure our children receive a quality education. We'll be analysing the data in great detail over the coming weeks to ensure we continue to target areas of need.
